

# THEIERE meeting in Kosice, 2<sup>nd</sup> February 2002:

## 1 Overview on the project

Slides of Maria João (available from the web-site of THEIERE

[http://www.eaeie.org/theiere/meeting\\_kosice/THEIERE-2year.ppt](http://www.eaeie.org/theiere/meeting_kosice/THEIERE-2year.ppt) or

[http://www.eaeie.org/theiere/meeting\\_kosice/THEIERE-2year.pdf](http://www.eaeie.org/theiere/meeting_kosice/THEIERE-2year.pdf))

And financial aspects from

[http://www.eaeie.org/theiere/meeting\\_kosice/Financial\\_II.ppt](http://www.eaeie.org/theiere/meeting_kosice/Financial_II.ppt) or

[http://www.eaeie.org/theiere/meeting\\_kosice/Financial\\_II.pdf](http://www.eaeie.org/theiere/meeting_kosice/Financial_II.pdf) )

- Support groups on didactics: Montse Novell (Barcelona) manages the group with Mike Diprose (Sheffield)

## 2 Co-ordination meeting in Brussels

Slides of Jean-Marc Thiriet (available from the web-site of THEIERE

[http://www.eaeie.org/theiere/meeting\\_kosice/minutes\\_coordinator\\_meeting\\_Brussels\\_0102.ppt](http://www.eaeie.org/theiere/meeting_kosice/minutes_coordinator_meeting_Brussels_0102.ppt) or

[http://www.eaeie.org/theiere/meeting\\_kosice/minutes\\_coordinator\\_meeting\\_Brussels\\_0102.pdf](http://www.eaeie.org/theiere/meeting_kosice/minutes_coordinator_meeting_Brussels_0102.pdf))

Important points: Turkey will be eligible soon.

Programme TEMPUS-MEDA for Mediterranean countries.

Promotion of European diplomas is a Key-point to the EU Commission.

Thematic Networks will be judged against results. Failure to obtain more than 5 out of 10 may result in refunding totally or partially the grant.

## 3 Letter to the Commission

Reactions on:

- the modifications of the evaluation rules within the contracting period

Questions

- About the experts evaluation received from the application form for the second year.

A proposition will be done by Mike Diprose and Maria João Martins and circulated among the partners for approval

## 4 Grants for students

36 000 Euro are available for students. If people wants to "use" some students thanks to a grant (500 Euro per student), please send both MJ Martins and JM Thiriet (for the website) the name of the student(s) together with the subject of their work. The website of THEIERE will be update with the names of the students (available from the web-site of THEIERE <http://www.eaeie.org/theiere/students.html> )

## 5 List of conferences

A new database for the management of the publications written within the frame of the project will be provided soon by Jan Liguš (<http://alf.fej.tuke.sk/publications/index.html>).

## 6 Reimbursement of "travel and accommodation" expenses

The tickets for transport and accommodation should be sent to Maria-João as soon as possible together with the travel and accommodation form.

## 7 Presentations done during the meeting

- Saba Mylvaganam "Sensor which can be piloted distantly"
- Jan Liguš : "Database for publications": <http://alf.fei.tuke.sk/publications/index.html>
- Jan Liguš : "Database for courses " : <http://alf.fei.tuke.sk/education/index.php3> and <http://theiere.fei.tuke.sk/module/index.htm>
- Michael Hoffmann: Database for staff mobility available from the EAEEIE website.

## 8 Next meeting

In York, Sunday 7<sup>th</sup> April 2002 (just before the EAEEIE conference, <http://www.eaeeie.york.ac.uk/> ).

## 9 Next EAEEIE conference

EAEEIE conference in 2003 in Gdansk (Polska). 16<sup>th</sup>-17<sup>th</sup>-18<sup>th</sup> June

## 10 Organisation of the project for the second year, task 1

### 10.1 Doctoral studies

An overview on doctoral studies will be achieved under the management of Vaclav Havlicek (Praha) and Antti Luukko (Lappeenranta).

### 10.2 Templates

This group is animated by Fanny Klett and Montse Novell for the design/pedagogical aspect and by Jose Vicente Benlloch and Juan Carlos Burguillo for technical aspects.

### 10.3

**Quality group: F. Klett** is responsible of this working group composed of M. Mrozek, M. Hoffmann, M. Diprose (+ analysis/contact with **Tuning projects**, [www.relint.deusto.es/TuningProject/index.html](http://www.relint.deusto.es/TuningProject/index.html) )

### 10.4 Contacts with other associations or thematic networks

In order to emphasise the partnership; contacts with other associations and thematic networks are interesting for THEIERE Partners. Some partners were appointed as responsible to get information or to open contacts with the following associations or thematic networks.

- ? EUA (European University Association): V. Havlicek
- ? ESIB: Hanna Lamers, Janus Jurasek, Jierzy Moscinski
- ? STEDE : Montse Novell
- ? THENUCE : I. Slaidins
- ? Engineering Education in Europe ([www.ing.unifi.it/tne4](http://www.ing.unifi.it/tne4)): P. Lappalainen

### 10.5 Survey on 3-5-8

During this academic year (second year of THEIERE project), a survey on the diplomas available in Electrical and Information Engineering in Europe will be done.

This working group is animated by Jean-Marc THIRIET, Josef JASENEK and Hamed YAHOUÏ.

This work will be achieved in close co-operation with French Club EEA.

### IMPORTANT POINTS:

- **What does EIE mean in each country? Which are the specialities involved in this acronym?**
- **List of Diplomas available.**
- **List of universities, number of diplomas**
- **Pedagogical content of diplomas (number of ECTS (European Credit Transfer System), who delivers the diploma (Ministry of Education, University, Engineering associations**
- **Average duration of studies**

Slides available from

[http://www.eaeie.org/theiere/meeting\\_kosice/slides\\_358.ppt](http://www.eaeie.org/theiere/meeting_kosice/slides_358.ppt) or

[http://www.eaeie.org/theiere/meeting\\_kosice/slides\\_358.pdf](http://www.eaeie.org/theiere/meeting_kosice/slides_358.pdf) )

Some working documents are presently in preparation and will be available before the end of February.

### 358 contributions

Country	National contact	Club EEA contact
AT Österreich	??	Jean-Marc THIRIET
BE België/Belgique	Raf Catthoor for Flemish part, see MJ Martins for French-speaking part	Hervé CARCHANO
BG Bulgaria/????????	D. Dimitrov and S. Stefanova	Philippe HOPPENOT

SK	Slovensko	Josef Jasenek	Joseph PRIBETICH
UK	United Kingdom	Mike DIPROSE	Majdi KHOUDEIR
TR	Turkije	Okyay KAYNAK (to be confirmed)	

## **11 Organisation of the project for the second year, task 2**

The organisation of the task 2 for 2000-2001 is maintained for the second year of the project. Some aspects relative to LLL, integration and evaluation of modules will be welcome.

Quality criteria to be discussed in connection with ECAS (European Credit Accumulation System)

**For the next meeting in York, 7th April 2002, all the partners will have 7 minutes to present his/hers results.**
