This meeting, as the first meeting of the second year of THEIERE TN was the opportunity to make an overview of the first year of the project and discuss some strategic options for the second year.

1- OVERVIEW OF RESULTS:

TASK 1- Survey of EIE Education in EUROPE

- ✍ Graphical presentation made by M. ROBERT based on the questionnaires developed by M.J. MARTINS.
Information concerning some partners countries is still missing. Please refer to our web site: <http://www.eaeeie.org/theiere>.
- ✍ database on EIE in Europe developed by J.LIGUS and S. MYLVAGANAM which are to be filled in .

TASK 2- Development of Pedagogical Resources on the Internet

- ✍ Some courses are available although some of the speciality areas presented no results.

2- DISCUSSION OF EVALUATORS REPORT ON THE SECOND YEAR PROPOSITION

For the second project year the discussion started with an appreciation of the evaluators report **on the second year proposition**

Remarks of the reviewers:

- ✍ The partners need to be specialised. At the moment, everybody is doing everything.
- ✍ One reviewer said the technical dictionary is not an interesting output.
- ✍ The validation of the packages has to be done by external evaluators
- ✍ Industrial partners should be included

Discussion was open to the audience:

? ***Concerning external evaluation:***

- ✍ Proposition from **M. Hoffmann (DE)**: a summer camp, with some volunteers students , some with a presential course, other with distant courses proposed by THEIERE, and have a double-blinded validation.
- ✍ -To find informal partners to make local associations in each country.
Difficult for German, Spain and Portugal
- ✍ -Get information from ministries of education

Saba Mylvaganam (NO):

- contacts with official entities, are not a problem in Norway.
- Experts comments must be considered, including contacts with industry

Maciel-Barbosa (PT)- proposed launching of national collaboration in Portugal

M. Chmela (CZ)- proposed launching of contacts with Czech universities

D. Giusto (IT)- No contacts with industry

M- Hoffmann (DE)– Proposed contacts with other organisations similar to **EAEIE**, such as **ICEE**, **SEFI** who can act as external evaluators

3- PRESENTATION OF THE EVOLUTION OF 3-5-8 MODEL IN EUROPE BY JEAN-MARC THIRIET

(this presentation is available at Theiere's web-site: <http://www.eaeie.org/theiere>).

After the presentation and in order to have a better view on the current situation of the 3-5-8 Model in Europe

it was decided to propose to the organising Committee of the EAEIE Conference in York to organise a **Workshop on Evolutions of the 358 Model**

The invited speakers could be:

A representative from the European Commission

Someone from UK (political level),

A representative from Italy, which already implemented the 358 Model (suggested person E. Pagano- Napoli)

A representative from Club EEAA which has been actively involved in this issue (suggested person Y Danto- Bordeaux)

4- TASK 2 EVOLUTION (2nd YEAR)

- ✍ It was decided to give all the existing courses a common format :
- ✍ **F. Klett** : draw the attention to the following features: adaptativity : knowledge level, and learning style (design and instructional level)
- ✍ It was decided to try to connect modules , thus paving the way to a common curricula in some disciplines.
- ✍ As a first step we will try to organise three modules which are interconnected.
- ✍ Technical dictionary becomes glossary associated with the modules, available in the developers languages.

5- ADMINISTRATIVE AND FINANCIAL ASPECTS

- ✍ For the second year reimbursement of the accommodation and subsistence will be done on a daily allowance basis respecting the maximum value allowed by the Commission.

- ✍ For the meeting in Vigo it was decided by all the presents to be paid on the basis of **130 €**per day, for **acomodation and subsistence**
- ✍ travel is reimbursed on the exact value (Receipts needed)
- ✍ the original tickets or "certified copies" (which means certified by the accounting services) of the tickets must be sent to the Coordinator concerning all expenses. Simple copies will not be accepted.
